

From the desk of the Village President...

I hope your summer has been filled with wonderful memories made with family and friends. The time sure did fly by, didn't it?

As the “BER” months approach, we begin preparing for the fall holiday season. Before we do, we hope you'll join us for our **End-of-Summer Village Family Picnic on Saturday, September 19th**. Plan on attending for a great time filled with music, food, fun, and fellowship with your neighbors!

This year marks the **25th anniversary of 9/11**. The Village will hold a remembrance ceremony that day at approximately **7:40 a.m.** (please arrive at 7:30 a.m.) in front of the Village Hall, followed by a moment of silence at **7:46 a.m.** We invite everyone to join us as we pause to remember and honor those who lost their lives.

Coming in October . . .

We'll be introducing “**Lunch with the Village President,**” an opportunity to sign up for lunch, share what interests you, ask questions or discuss concerns about the Village, and simply get to know one another. More information will be coming soon!

And finally, **drive safely—school is back in session!** Please watch for children, school buses, and increased traffic as everyone settles back into the school-year routine.

Stay informed by following us on **Facebook** or visiting **www.forestview-il.org**.

We look forward to seeing you at the picnic!

Dave Liska
Village President
