

I've always enjoyed this time of year. With school back in session, followed by Halloween, Thanksgiving, and finally Christmas—the true crescendo of the season—it's a wonderfully busy and meaningful stretch.

As we approach the holidays, I encourage everyone to take a moment to step back, reflect on the past year, and appreciate all we have to be thankful for. Enjoy time with family, friends, and neighbors.

Next year will be an active one for our Village as we begin several projects aimed at improving our infrastructure. More information will be shared in our spring newsletter.

Forecasters are predicting a colder, snowier winter, so please take a moment to check in on your neighbors when you can.

Wishing everyone a very Merry Christmas and a happy, prosperous New Year.

**David Liska**  
Village President
