

From the desk of the Village President...

As summer arrives in Forest View, our neighborhood comes alive with, block parties, ballgames, cookouts, and gatherings with family and friends. This season reminds us of the strength, resilience, and community spirit that make Forest View such a special place to call home.

Tuesday August 4th our Police Department is teaming up with Stickney for “National Night Out”, watch for details. July 23rd will be the 2nd Annual Battle of the Badges, Heroes on the Field Softball Game. Please join us at 5:30 pm in the park to see our Fire and Police

Departments battle it out on the field for bragging rights. Save the date for the Village Picnic - September 19th , 2026.

As we enjoy the summer months ahead, let us be considerate by keeping noise and music down in the late evening hours. Wishing you and your loved ones a safe, joyful, and memorable summer.

Dave Liska
Village President
